

# Masks

Pattern developed by Suzan Platzer and Emily Platzer

## Required materials:

Quilting cotton  
Two 1 yard lengths of cotton bias tape

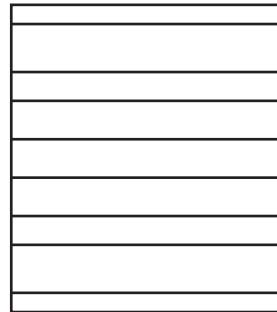

## Required tools:

Sewing machine  
Iron

## Instructions:

1. Cut out fabric 7" x 16.5"
2. Right sides (i.e. patterned sides) together and folded in half, sew the 7" sides together with a 1/4" seam allowance.
3. Flip to right side and iron.
4. From each 7" side, place marks with pins or tailors chalk at the following increments, ending up with 8 marks total.

- 0.5"
- 1.75"
- 2.5"
- 3.5"

5. Fold the markings to touch, pleating the mask as shown:

6. Stay stitch the pleats.

7. Center one strip of bias tape on the pleated side and pin, then from the end of the bias tape stitch bias tape together catching the pleated side in the middle section. Repeat for the other side.
